Personal profile

I am an enthusiastic, creative and determined individual who enjoys working in teams and achieving targets. I have been a keen sportsman from a young age and enjoy challenges. Having an extroverted personality, I thrive off just being around others. Having recently graduated from Bournemouth University with a 2:1, I am now seeking a full-time position.

Achievements

- **British Conference of Undergraduate Research 2017:** BCUR celebrates undergraduate research from across all disciplines. Each year a different British university hosts the conference, welcoming undergraduates from all over the country as they present papers, posters, workshops and performances.
- **Jack Petchey Award:** I was awarded for my outstanding efforts at Stanmore College.
- **Co-founder of JumpStart Enterprise:** JumpStart Enterprise was a business society that was set up with another to help raise awareness of entrepreneurship and business. We collectively built a platform for other students to get involved and attend networking events, and to help set businesses up.
- **Open Water Scuba Diver:** Scuba Diving has taught me to stay focused and follow instructions with high attention to detail.
